

## **PRIVACY POLICY FOR SAVESNAP APPLICATION**

This privacy policy governs your use of the software application (“Application”) for mobile devices that was created by APPiarist. The Application is “SaveSnap”.

### **What information does the Application obtain and how is it used?**

#### **User Provided Information**

The Application obtains the information you provide when you download and register the Application. Registration with us is optional. However, please keep in mind that you may not be able to use some of the features offered by the Application unless you register with us.

When you register with us and use the Application, you generally provide your SnapChat username and password information, that is only used inside the app, and maybe stored for later usage by the app.

#### **Automatically Collected Information**

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile operating system, and information about the way you use the Application.

### **Does the Application collect precise real time location information of the device?**

This Application does not collect precise information about the location of your mobile device.

### **Do third parties see and/or have access to information obtained by the Application?**

Only application usage statistics data is periodically transmitted to external services to help us to improve the Application. All the services listed in the applications are responsible for processing and maintaining users’ information (photos) since it was shared. For detailed information please refer to the Privacy Policies of each specific service.

### **What are my opt-out rights?**

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

### **Data Retention Policy, Managing Your Information**

We will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. We will retain Automatically Collected information for up to 24 months and thereafter may store it in aggregate. Please note that some or all of the User Provided Data may be required in order for the Application to function properly.

## **Children**

We do not use the Application to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at support@ihoops-apps.com. We will delete such information from our files within a reasonable time.

## **Security**

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor to provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

## **Changes**

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via email or text message. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

## **Your Consent**

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information.

## **Contact us**

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at support@ihoops-apps.com.
